

The year "2023" is displayed in large, white, sans-serif font. Each digit contains a different photograph: the "2" shows a person sitting at a table outdoors; the "0" shows a woman in a red top and sunglasses; the "2" shows a person in a yellow shirt; and the "3" shows a man in a red jacket. The background of the digits is a light gray.

### WARRANTY AND ITS TERMS AND CONDITIONS

V.I.P. Industries Ltd. the Company, hereby provides Worldwide Warranty on select items to the user against material manufacturing defects only. You can still avail of this repair facility after the end of the Warranty period, by paying for the same.

The Warranty, however, is subject to the following conditions:

1. The warranty card is valid only if it is filled in, stamped and signed by the authorized dealer/showroom/person of V.I.P. (except for institutional purchases). The card and the relevant cash memo must be preserved and produced along with the defective piece.
2. The defective piece must be delivered by the User at his/her/its own cost to the company's nearest sales or after sales service centre, the details whereof can be obtained by contacting the Company on aforesaid helpline number or email id.
3. The Warranty is not valid for:
  - A. Damages resulting from accidents, mis-handling, negligence, unauthorized repair, tampering, loss of components/accessories, normal wear and tear, exposure to extreme heat and temperature, solvents, acids and exposure to rain/water.
  - B. Replacement/repair of briefcase folios and suitcase divider flaps.
  - C. Powder coating, gold plating, wood finish on locks, frames, channels and on all other metallic surfaces.
  - D. Damages such as zip bursts, cracks, dents and scratches to any of the components, tearing of inner lining or any other fabric.
  - E. Damages from mishandling and abuse in transit by the carrier company (Airlines etc) (if such abuse occurs, one must immediately file a claim with the Carrier Company before leaving the transport terminal) and
  - F. Damages to the leather trimmings and net mesh.

The Company will undertake to repair/replace the defective piece at its own discretion; and its decision as to the nature of the defects and applicability of the Warranty, is final.

In the interest of product upgradation, the Company is free to change its products specification without notice. In case spares for given models are not available, the Company may at its discretion, offer an equivalent model at a special rate.

Any disputes arising out of the applicability/inapplicability of this Warranty card is subject to Mumbai jurisdiction only.

The Company's liability for damages shall be restricted only upto repair/replacement of the defective piece and in no event and under no circumstances it shall exceed the price paid (after discounts if any) by the customer to the Company for the damaged piece stated in the invoice/cash memo.

This Warranty excludes every condition/warranty liability not expressly set out herein.

All locks and security mechanism fitted on the luggage are delaying devices and can't prevent theft of the contents and luggage.

Besides the aforesaid terms and conditions, for availing the Worldwide Warranty, the procedure as mentioned below also needs to be followed by the user to exercise the warranty on the product:

- To avail of the warranty the user needs to contact the Company's call centre by phone or email.
- A. The user will have to provide necessary documents including the duly filled up, signed and stamped copies of the valid warranty card, invoice (and the photo of the defective piece if physical product is not available for inspection) physically at the service centre or by email or fax at the address/fix number that the call centre may provide.
- B. The piece must be delivered to and collected back from the nearest service centre in the country of travel at the user's cost. The address will be provided by the Company through the call centre.
- C. The Company reserves the right to repair/ or replace the defective piece as deemed suitable. In case of replacement, the defective piece shall be replaced with another piece of the same model or equivalent model of any of the Company's brand at the Company's discretion.
- D. The Company or its representative(s) will undertake to repair/ or replace the defective part/piece within a reasonable period of time and its decision as to the nature of defect and the applicability of the warranty is final.
- E. In case of service call being raised outside of India in any country which is covered by the warranty and in the case where the Company approves the replacement of the defective piece – the fresh piece will either have to be picked up by the user from the Company's service centre or the Company may agree to deliver the same to the user at the address provided by him/her, which should be within the limits of the country from where the service call was originated.
- F. In case Company agrees to deliver the replacement free of cost to the user at the address provided and agreed, the user shall be required to deliver the defective piece at its own cost, either before or after receipt of replacement in lieu of the defective piece, to nearest service centre location as may be informed by the Company.
